Subject: FOIA Request from Journalist Ref Gen X EPA-R4-2018-001178

Hi Kathy,

We have received a new FOIA request ref Gen X from a journalist, Vaughn Hagerty. He is asking for fee waiver and expedite processing. Below is the scope of his request. I just need to confirm whether or not this request should be processed by your office along with the others. Please let me know. Thanks, Gayla

I am a journalist working with a local newspaper on an ongoing story. Pursuant to that, I request copies of any correspondence, including letters, memos and emails, between staff at EPA Region IV, including the National Exposure Research Laboratory, and the N.C. Department of Environmental Quality, the N.C. Department of Health and Human Services, and/or the N.C. Governor's office sent or received from Sept. 4, 2017, until the latest available date that mention Chemours, GenX, Nafion, PFAS, PFESA, PFMOAA, PFO2HxA, or PFO3OA.
